Lorem Ipsum generators on the Internet tend to repeat predefined chunks as
necessary, making this the first true generator on the Internet. It uses a
dictionary of over 200 Latin words, combined with a handful of model sentence

Lorem Ipsum is therefore always free from repetition, injected humour, or non-

                    It is a long established fact that a reader will be
distracted by the readable content of a page when looking at its layout. The
point of using Lorem Ipsum is that it has a more-or-less normal distribution
of letters, as opposed to using 'Content here, content here', making it look
like readable English. Many desktop publishing packages and web page editors
now use Lorem Ipsum as their default model text, and a search for 'lorem
ipsum' will uncover many web sites still in their infancy. Various versions
have evolved over the years, sometimes by accident, sometimes on purpose
(injected humour and the like).

                <p>
                    Lorem Ipsum is simply dummy text of the printing and
typesetting industry. Lorem Ipsum has been the industry's standard dummy text
ever since the 1500s, when an unknown printer took a galley of type and
scrambled it to make a type specimen book. It has survived not only five
centuries, but also the leap into electronic typesetting, remaining
essentially unchanged. It was popularised in the 1960s with the release of
Letraset sheets containing Lorem Ipsum passages, and more recently with
desktop publishing software like Aldus PageMaker including versions of Lorem
Ipsum.

				Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Mi primera web Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered the undoubtable source. Lorem Ipsum comes from sections 1.10.32 and 1.10.33 of "de Finibus Bonorum et Malorum" (The Extremes of Good and Evil) by Cicero, written in 45 BC. This book is a treatise on the theory of ethics, very popular during the Renaissance. The first line of Lorem Ipsum, "Lorem ipsum dolor sit amet..", comes from a line in section 1.10.32.
